

Prima Data

If you are staying in Slovakia less than 6 months and a contract is something, you do not want to deal with, then our new offer – **Prima Data SIM card** will be a better choice for you.

The price of this SIM card is only **2€**. For this great price you already get **2€ credit** and **1 GB of data**. On this card, you can top up as much credit as you want and then use it for whatever you prefer more – data, calls or SMS.

Advantages of Prima Data:

- You **pay only for what you use**
- You **decide by yourself how you will use your credit** : data, calls, SMS/MMS
- The validity of unused credit is **12 months**
- The card is **without commitment**
- **Top up your credit** easily via **internet** or set up the **automatic top up**
- Simple activation with your **first call**

Price of the call is **0,10€ / min.** and price of the SMS is **0,06 / SMS**. In addition, there is a possibility to activate **voice or SMS bundles** at discounted prices.

If you are more data orientated you can easily activate one of our data bundles. Do not miss our **special offer - 10 GB for 10 € !**

How can you activate your Prima card ?

Prima card is automatically activated with your **first call**. The call must be made in the territory of the Slovak Republic. During activation, you select the communication language that will welcome you to voice menu at number 444.

How can you activate an additional bundle ?

Here is the list of our additional bundles that we offer to you. Do not miss our **special offer** and activate the bundle **10 GB for 10 €**.

	Bundle	Price	Type of bundle	Duration
